

**08<sup>th</sup> Oct, 2023**

Dear Mr. Ankit Kumar Singh,

Suzuki Innovation Centre (SIC) is pleased to offer an internship in the Suzuki Innovation Centre at IITH to Mr. Ankit Kumar Singh, B.Tech at ICFAI, Hyderabad.

The scope of works are as follows:

1. Conducting secondary research or market analysis on GRIPP products.
2. Developing tasks and making strategies by discussing with SIC GRIPP members.
3. Supporting in technical and data analytics for GRIPP and other SIC projects.
4. Involving in SIC activities and assisting the team in organizing events when and where required.

The term shall commence on 08th October 2023 and shall end on 31<sup>st</sup> December 2023.

You will be provided honorarium of Rs.15,000 per month during this period.

For any queries, please contact the undersigned or the SIC Team.

We look forward to seeing your journey with the Suzuki Innovation Center!

Sincerely,

**Dr. Kotaro Kataoka**

Associate Professor, IIT Hyderabad

Principal Investigator of Suzuki Innovation Centre
